**MANAGEMENT DISCUSSION AND ANALYSIS REPORT: 2020-21****Global economic**

The COVID-19 viral pandemic continues to be a highly personal, individual experience that is also an unprecedented globally-shared phenomenon with wide-ranging repercussions. The pandemic has disrupted lives across all countries and communities and negatively affected global economic growth in 2020 beyond anything experienced in nearly a century. Estimates indicate the virus reduced global economic growth in 2020 to an annualized rate of -3.4% to -7.6%, with a recovery of 4.2% to 5.6% projected for 2021. Global trade is estimated to have fallen by 5.3% in 2020, but is projected to grow by 8.0% in 2021. According to a consensus of forecasts, the economic downturn in 2020 was not as negative as initially estimated, due in part to the fiscal and monetary policies governments adopted in 2020. Generally, economic growth forecasts captured the decline and subsequent rebound in economic growth over the second and third quarters of 2020, but have been challenged since by the prolonged nature of the health crisis and its continuing impact on the global economy.

The U.S. and European economies experienced the beginnings of a recovery in the third quarter of 2020 with the U.S. economy growing by 33.4%, or at an annual rate of 5.0%, largely matching an equally sharp decline in growth in the second quarter. The Euro zone economy grew by 12.5% during the quarter and -7.4% at an annual rate. During the third quarter of 2020, however, the recovery was weakened by renewed quarantines and business lockdowns in response to a resurgence of infectious cases and the emergence of more contagious variants of the virus that began in September. The annual U.S. economic growth rate slipped to -3.5% in 2020, but was estimated to have grown at an annualized rate of growth of 6.4% during the first quarter of 2021.

Through various key economic and financial indicators had rebounded from the depths of the pandemic-related economic recession, although not all parts of the global economy had recovered to the levels that preceded the COVID-19 pandemic. Over the long run, however, damage to labor markets could be more problematic with a large share of the labor force unable to return to pre-pandemic jobs. In some cases, workers who were unemployed during the crisis reportedly are reconsidered returning to their previous jobs and exploring other options, which potentially could affect the pace of the economic recovery. Similarly, economies could face long-term costs as a result of children who were held out of in-person education for over a year that could result in lower academic performance and graduation rates and delayed entry into the labor market.

In a report prepared for the January 25-29, 2021, World Economic Forum, the International Labor Organization (ILO) estimated that 93% of the world's workers at that time were living under some form of workplace restrictions as a result of the global pandemic and that 8.8% of global working hours were lost in 2020 relative to the fourth quarter of 2019, an amount equivalent to 255 million full-time jobs. The ILO estimated that the loss in working hours was comprised of (1) workers who were unemployed, but actively seeking employment, (2) workers who were employed, but had their working hours reduced, and (3) workers who were unemployed and not actively seeking employment. Based on this approach, the ILO estimated that unemployment globally was equivalent to 0.9% of total working hours lost in 2020, while inactivity and reduced hours accounted for 7.9% of total working hours lost.

According to the April 2021 World Economic Outlook prepared by the International Monetary Fund (IMF), the global economy is projected to experience a stronger recovery in 2021 and 2022 than indicated in previous forecasts, with global growth projected to increase at a rate of 6% in 2021 and 4.4% in 2022. The IMF also concluded the global economic recovery would occur at different speeds across and within individual countries, reflecting differences in the pace of vaccinations, the extent of policy support, and various structural conditions, such as the role of tourism in the economy. Within countries, the employment and earnings of youth, women, and the relatively lower-skilled workers has been affected the most.

In addition to the asynchronous recovery, the IMF concluded that support provided by central banks may have unintended consequences of supporting equity valuations that at times are misaligned with their model-estimated fundamentals and by increasing financial risks overall that could become problematic should interest rates start rising.

The IMF urged G-20 leaders to maintain monetary and fiscal policies to lessen the economic impact of the global recession. In particular, the IMF recommended a combination of accommodative monetary policies characterized by low interest rates and central bank programs to facilitate credit availability, a continuation of fiscal support for individuals and firms, and engagement in a synchronized infrastructure investment program to promote growth. According to an IMF analysis, all other things being equal, an increase in infrastructure spending by G-20 countries of one-half percent of their GDP in 2021 and 1% in 2022 through 2025 would increase global GDP by 2% in 2025, compared with under 1.2% growth for an unsynchronized approach.

### **Indian economic**

In line with the global economy, India witnessed major economic disruptions in Financial Year 2020-21, as the outbreak of COVID-19 perversely impacted human health and safety of the country's inhabitants. This prompted the government to undertake one of the world's tightest lockdowns, bringing manufacturing and trade activities to a screeching halt. Prolonged lockdown exacerbated existing vulnerabilities of the country including the weakened financial sector, private investments, liquidity constraints and consumption demand. Mobility restrictions and social distancing led to unparalleled supply-chain disruptions and consumer demand fallout. This forced the Indian GDP to contract by 8.0% in FY 2020-21 as against a growth of 4.0% in FY 2019-20, marking a recession since 1980.

After March 25, 2020, when a national lockdown was implemented, economic activity slowed sharply. As a result, output fell by a whopping 25 percent (year on year) between April and June, the first quarter of the FY2021 fiscal year.

The informal sector, where the vast majority of India's labor force is employed, has been particularly affected. As in most countries, the pandemic has exacerbated vulnerabilities for traditionally excluded groups, such as youth, women, and migrants.

After the 2020 huge GDP contraction, economic growth is projected to bounce back in 2021, driven by pent up demand for consumer and investment goods, before declining in 2022. The dramatic infections upsurge since February has weakened the nascent recovery and may compound financial woes of corporate and banks. As public anxiety over the virus spreads and lockdowns multiply, high-frequency indicators suggest that a marked slowdown may have taken place in the April-June quarter, although the overall annual impact is likely to be muted. Wholesale and retail inflation rates remain elevated, but within the target range of the central bank.

After a contraction in FY 2021, it is expected that the economy to grow at a modest pace in the first half of FY 2022. Growth is projected to reach 11.7% in FY 2022 in our baseline scenario. That said, slow recovery in a couple of quarters will likely have an impact on next year's numbers as well. In FY 2023, growth of 6.9% is foreseen. In addition to the low base effect in FY 2021 and Milton Friedman's plucking theory playing out, it is believed five drivers will steer growth over the next two years:

- ~ The rapid pace of vaccination and low death rates despite high infection
- ~ Strong growth in private investment, and its rebound stimulated by reforms and schemes
- ~ Pent-up demand backed by savings made by high- and mid-income consumers who are waiting to spend
- ~ Fiscal spending on building assets and infrastructure (that have a high multiplier effect on income, jobs, and private investments) that will likely start gaining momentum on the ground

- ~ Global economic rebound in late 2021, especially driven by the United States, as predicted by our US economists

### **Industry Structure and Analysis:**

The Skill development industry in India as well as worldwide has been severely affected during this last year as the outbreak of COVID-19 perversely impacted human health and safety of the country's inhabitants. The rapid spread of COVID has forced people to stay indoors and has restricted all activities. Both the State and Central Governments have issued various advisories to all citizens to maintain caution and to only leave their homes in case of urgent need. This has not only instilled caution but also fear amongst the general public.

India's evolving Technical and Vocational Education and Training ecosystem (TVET) faced many challenges during the COVID-19 pandemic. Because of the national lockdown, organisations had to remain shut for 7-8 months, until September 2020. This ecosystem is made up of a range of players, including vocational education providers such as schools and higher education institutions; short-term skill development programmes supported by corporate philanthropy and National Skill Development Corporation (NSDC); public and private Industrial Training Institutes (ITI), among many others. All of these have faced an uphill task in reaching their customers, ensuring quality delivery of training, and connecting trained youth with jobs. Both the State and Central Governments have issued directives to keep the schools and Skill Development Institution from during most of the period of 2020-21.

Most skill development programmes in the country follow a classroom-led delivery model. Because of this, many faced huge infrastructure and human resource-related challenges while moving their operating models online overnight. On the one hand, participants from low-income families didn't have access to digital infrastructure. On the other, trainers were not equipped enough to deliver virtual training, particularly while doing so from home.

As our country moves forward with an aggressive COVID vaccination drive, a large segment of our society remain vulnerable. The young students of our country are still choosing to remain largely indoors as threat of infection looms high over their head. This situation has temporarily adversely affected the skill development sector as students and parents are choosing not to send their children out to study. However, as the situation gradually starts to improve and government restrictions are starting to ease, we are starting to witness a significant improvement in student returning back to class.

### **Company Operational and financial performance:**

The operations of the Company during the period under review were under significant challenges. The Covid-19 pandemic effected the education, trading and skill developments the most. We, being operating in the training and development industry, was hit severely by the pandemic. Our operation was completely shut during pandemic till December 2020, as per the Government Covid-19 Guidelines, and even thereafter, due to the nature of our operation which require physical presence of students / trainees, the operations were negligible as student / trainees were not willing to resume the training. The Second wave also caused operational challenges for the Company.

With the aggressive vaccination drive against Covid-19 by the Central Government and the thrust given to the skill development and job-oriented training for the unemployed youth, we expect that the operations of the Company will be revived by the 2nd quarter during 2021-22.

The financial performance of the Company are highlighted in the Board's Report section of this Annual Report.

### **Risks, Concerns and challenges:**

One of the concerns in the current situation is the uncertainty of the third covid wave as the

reopening of the economy can be reversed if the COVID situation becomes alarming again. This also puts pressure on the demand of fresh talent as companies go slow on their recruitment drive.

The major threat to our Company includes:

- o Impact of Covid-19 Pandemic
- o Growing competition from other similar small players in informal sector
- o Changes in Government Policy

**Outlook & Opportunity:**

Both the state and central governments recognize the negative impact of COVID and are taking various steps to mitigate these factors. The major opportunity for our Company includes:

Opportunities:

- o Growing and untapped market
- o LCC strong presence in the skill development industry and track record of successfully executing government projects under difference central and state governments.
- o Largely population of youth in India with growing requirement of job oriented training and skill development needs
- o Strong acceptability of LCC brand amongst the youth

**Training & Skill Development:**

As the economy is gradually starting to open up, various government funded schemes are being restarted along with aggressive funding and larger budgetary allocations are being witnessed. LCC has also initiated a fresh large-scale project in collaboration with the Ministry of Rural Development by establishing a state-of-the-art skill development project under the DDUGKY project. Along with this we are also in talks with various other government agencies to either restart or collaborate for new skill development initiatives across various states. Further, with the improvement in the COVID situation, we are witnessing the reopening of our training centers across the country and are happy to report that we are seeing a strong return of students to our centers.

**Internal Control Systems:**

We have used this lag time over the last year, to strengthen and improve our Learning Management System that will allow students to have a more effective and robust skill delivery mechanism. Going forward we will be implementing this new system for deeper and better student engagement.

**Future Prospects:**

Though the last year has been extremely challenging, we are not seeing a sudden surge in both government and private student participation. This pandemic has been a learning phase for all and the value of enhanced skill development is now seen as a necessity rather than an option. With increased government spending and introduction of new skill development schemes, we see our engagement is a large number of new initiatives and ventures.

**Human Resources:**

LCC has been recruiting new talent in the recent times as new teams are being created with a fresh perspective and renewed motivation to take up and successfully fulfill the new opportunities that lay ahead in the coming times. We are very optimistic that the worst is behind us and we only have new opportunities to look forward to in the coming times.

**Cautionary Statement**

Statements in this Management Discussion and Analysis report detailing the Company's objectives, projections, estimates, expectations or predictions may be "forward looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include global and Indian demand supply conditions, raw material prices, finished goods prices, cyclical demand and pricing in the Company's products and their principal markets, changes in Government regulations, tax regimes, economic developments within India and the countries with which the Company conducts business and other factors such as litigation and / or labor negotiations.

## **Independent Auditors' Report**

To the Members of  
LCC Infotech Limited

### **Report on the Standalone Financial Statements**

We have audited the accompanying standalone financial statements of M/S LCC Infotech Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss, the Cash Flow Statement, and a summary of the significant accounting policies and other explanatory information for the year then ended 31st March 2021.

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone IND AS financial statements give the information required by the Companies Act 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March, 2021 and its Loss and its cash flows and the changes in equity for the year ended on that date.

### **Basis for Opinion**

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

### **Management's Responsibility for the Standalone Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone IND AS financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rule 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also: Identify and assess the risks of material misstatement of

the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- \* Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- \* Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- \* Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- \* Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**Annexure B to the Independent Auditors' Report of even date on the Standalone Financial Statements of LCC Infotech Limited - 31st March 2021**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of LCC Infotech Limited ("the Company") as at 31 March 2021 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these standalone financial statements.

**Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (a) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (b) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal

financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

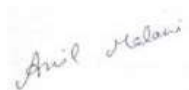

**Opinion**

In our opinion, to the best of our information, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**1. SIGNIFICANT ACCOUNTING POLICIES****A. BASIS OF PREPARATION OF FINANCIAL STATEMENTS**

These financial statements have been prepared to comply with the Indian Accounting Standards ('Ind AS') including the rules notified under the relevant provisions of the Companies Act, 2013. The financial statements are prepared on accrual basis under the historical cost convention.

**B. USE OF ESTIMATES**

The preparation of financial statements in conformity with Indian Accounting Standards ('Ind AS') requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amount of assets and liabilities in future periods.

**C. FIXED ASSETS****Tangible Assets**

Tangible Assets are stated at cost less accumulated depreciation and impairment loss, if any. The cost of Tangible Assets comprises its purchase price, borrowing cost and any cost directly attributable to bringing the asset to its working condition for its intended use. Subsequent expenditures related to an item of Tangible Asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

**D. DEPRECIATION, AMORTISATION AND DEPLETION****Tangible Assets**

Depreciation on Fixed Assets is provided to the extent of depreciable amount on the Straight Line Method (SLM). Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

Depreciation on Fixed Assets added/disposed off during the period is provided on prorata basis with reference to the date of addition/disposal.

In case of impairment, if any, depreciation is provided on the revised carrying amount of the assets over their remaining useful life.

**E. IMPAIRMENT**

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Profit and Loss Statement in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

**F. INVESTMENTS**

Investments that are readily realizable and intended to be held for not more than one year from the date on which such investment is made are classified as Current Investments. Current investments are carried at lower of cost and quoted/fair value, computed category-wise. Non Current investments are stated at cost. Provision for diminution in the value of Non Current investments is made only if such a decline is other than temporary.

**G. INVENTORIES**

Items of inventories are measured at lower of cost and net realizable value.

**H. CASH AND CASH EQUIVALENTS**

Cash and cash equivalents in the cash flow statement comprise of cash at bank and Cash/Cheque on hand and fixed deposits with an original maturity of six months or more.

**I. Earnings per Share**

Basic Earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

**J. REVENUE RECOGNITION**

- a) Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.
- b) Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rates applicable.
- c) Dividend income is recognized when the shareholder's right to receive dividend is established by the balance sheet date.

**K. ACCOUNTING FOR TAXES ON INCOME**

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates. Deferred income tax reflect the current period timing differences between taxable income and accounting income for the period and reversal of timing differences of earlier years/period. Deferred tax assets are recognized only to the extent that there is a reasonable certainty that sufficient future income will be available except that deferred tax assets, in case there are unabsorbed depreciation or losses, are recognized if there is virtual certainty that sufficient future taxable income will be available to realize the same. Deferred tax assets and liabilities are measured using the tax rates and tax law that have been enacted or substantively enacted by the Balance Sheet date.

**L. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS**

Provision is recognized in the accounts when there is a present obligation as a result of past event(s) and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognized nor disclosed in the financial statements.

**M. EMPLOYEE BENEFIT EXPENSE****Short Term Employee Benefits**

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognized as an expense during the period when the employees render the services.

**Post Employment Benefits****Defined Contribution Plans**

The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to a reduction in future payment or cash refund.

**N. FINANCE COST**

Borrowing cost that are directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

## **Independent Auditors' Report on Consolidated Financial Statements**

To the members of **M/s. LCC INFOTECH LIMITED**

Report on the Audit of the Consolidated Ind AS Financial Statements

### **Opinion**

We have audited the accompanying consolidated financial statements of M/s. LCC Infotech Limited ('the Holding Company') and its subsidiary (collectively referred to as 'the Company' or the 'Group') comprising the consolidated balance sheet as at 31 March, 2021, the consolidated statement of profit and loss, the consolidated cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'the Consolidated IND AS Financial Statements').

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiary the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2021, their consolidated profit/loss including their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

### **Basis for Opinion**

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

### **Basis of Consolidation**

The Consolidated Financial Statements (CFS) include the financial statements of the Company and its subsidiaries. Subsidiaries are entities controlled by the Group.

Control is assessed annually with reference to the voting power (usually arising from equity shareholdings and potential voting rights) and other rights (usually contractual) enjoyed by the Group in its capacity as an investor that provides it the power and consequential ability to direct the investee's activities and significantly affect the Group's returns from its investment. Such assessment requires the exercise of judgement and is disclosed by way of a note to the Financial Statements.

The assets, liabilities, income and expenses of subsidiaries are aggregated and consolidated, line by line, from the date control is acquired by any Group entity to the date it ceases. Profit or loss and each component of other comprehensive income are attributed to the Group as owners and to the non-controlling interests. The Group presents the non controlling interests in the Balance Sheet within equity, separately from the equity of the Group as owners.

An investment in the subsidiary is recognized at cost on the date of the investment in the Balance Sheet. The proportionate share of the Group in the net profits / losses is recognized in the Statement of Profit and Loss and the carrying value of the investment is adjusted by a like amount (referred as 'equity method').

All intra group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

### **Operating Cycle**

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 - Presentation of Financial Statements based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

### **Responsibilities of Management for the Consolidated Ind AS Financial Statements**

The Holding Company's Board of Directors is responsible for the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in terms of the requirement of the Companies Act 2013. (hereinafter referred to as 'the Act'), in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with the Companies (Indian Accounting Standard) Rules, 2015, as amended. The Board of Directors of the Company included in the Group are responsible for maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS Financial Statements that give a true and fair view and are free from material misstatements, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. Those respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

### **Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the consolidated Ind AS financial

statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- f) Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and joint ventures of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated Ind AS financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2021 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Other Matters**

We did not audit the financial statements and other financial information of its only subsidiary whose Ind AS financial statements include total assets of 148.88 Lakhs as at 31st March 2021, total revenues Nil and net cash outflow of Rs.10 Thousand for the year ended on that date included in these consolidated Ind AS financial statements. **1. SIGNIFICANT ACCOUNTING POLICIES****A. BASIS OF PREPARATION OF FINANCIAL STATEMENTS**

These financial statements have been prepared to comply with the Indian Accounting Standards ('Ind AS') including the rules notified under the relevant provisions of the Companies Act, 2013. The financial statements are prepared on accrual basis under the historical cost convention.

**B. USE OF ESTIMATES**

The preparation of financial statements in conformity with Indian Accounting Standards ('Ind AS') requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amount of assets and liabilities in future periods.

**C. FIXED ASSETS****Tangible Assets**

Tangible Assets are stated at cost less accumulated depreciation and impairment loss, if any. The cost of Tangible Assets comprises its purchase price, borrowing cost and any cost directly attributable to bringing the asset to its working condition for its intended use. Subsequent expenditures related to an item of Tangible Asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

**D. DEPRECIATION, AMORTISATION AND DEPLETION****Tangible Assets**

Depreciation on Fixed Assets is provided to the extent of depreciable amount on the Straight Line Method (SLM). Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

Depreciation on Fixed Assets added/disposed off during the period is provided on prorata basis with reference to the date of addition/disposal.

In case of impairment, if any, depreciation is provided on the revised carrying amount of the assets over their remaining useful life.

**E. IMPAIRMENT**

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Profit and Loss Statement in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

**F. INVESTMENTS**

Investments that are readily realizable and intended to be held for not more than one year from the date on which such investment is made are classified as Current Investments. Current investments are carried at lower of cost and quoted/fair value, computed category-wise. Non Current investments are stated at cost. Provision for diminution in the value of Non Current investments is made only if such a decline is other than temporary.

**G. INVENTORIES**

Items of inventories are measured at lower of cost and net realizable value.

**H. Cash and Cash Equivalents**

Cash and cash equivalents in the cash flow statement comprise of cash at bank and Cash/Cheque on hand and fixed deposits with an original maturity of six months or more.

**I. Earnings per Share**

Basic Earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

**J. REVENUE RECOGNITION**

- a) Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.
- b) Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rates applicable.
- c) Dividend income is recognized when the shareholder's right to receive dividend is established by the balance sheet date.

**K. ACCOUNTING FOR TAXES ON INCOME**

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates. Deferred income tax reflect the current period timing differences between taxable income and accounting income for the period and reversal of timing differences of earlier years/period. Deferred tax assets are recognized only to the extent that there is a reasonable certainty that sufficient future income will be available except that deferred tax assets, in case there are unabsorbed depreciation or losses, are recognized if there is virtual certainty that sufficient future taxable income will be available to realize the same. Deferred tax assets and liabilities are measured using the tax rates and tax law that have been enacted or substantively enacted by the Balance Sheet date.

**L. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS**

Provision is recognized in the accounts when there is a present obligation as a result of past event(s) and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognized nor disclosed in the financial statements.

**M. Employee Benefit Expense****Short Term Employee Benefits**

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognized as an expense during the period when the employees render the services.

**Post Employment Benefits****Defined Contribution Plans**

The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to a reduction in future payment or cash refund.

**N. FINANCE COST**

Borrowing cost that are directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.
