2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM/EGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the EGM/AGM will be provided by CDSL.
3. The Members can join the EGM/AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the EGM/AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM/EGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, , the facility to appoint proxy to attend and cast vote for the members is not available for this AGM/EGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM/EGM has been uploaded on the website of the Company at www.lccinfotech.in. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM/EGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM/EGM) i.e. www.evotingindia.com.

7. The AGM/EGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.

THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

1. The voting period begins on 26th September 2022 at 9 AM and ends on 28th September 2022 at 5 PM. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of September 22, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
2. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
3. Shareholders who have not voted during the e-voting period shall be entitled to vote at the meeting venue through e-voting.
4. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email ID in their demat accounts in order to access e-Voting facility.

Explanatory Statement Pursuant to Section 102 of the Companies Act, 2013.**Item No. 4:**

Mr. Pratik Lakhota (DIN: 00057015) was appointed as a Whole-time Director & CFO of the Company for a period of 3 years w.e.f. January 1, 2020 on the remuneration and other terms and conditions. As the existing tenure of Mr. Pratik Lakhota (DIN: 00057015) as Whole-time Director & CFO of the Company will expire on December 31, 2022, the Board of Directors of the Company, keeping in view his performance, vast expertise and knowledge, and to create enduring guidance, considers that the reappointment of Mr. Lakhota is in the interest of the Company and it is desirable to continue his services as a Whole-time Director & CFO. Accordingly, the Board of Directors, based on the recommendation of Nomination and Remuneration Committee, has approved re-appointment of Mr. Pratik Lakhota as Whole-time Director & CFO for a further period of 3 years w.e.f. January 1, 2023 till December 31, 2025. The Board recommends the resolution at Item No. 4 of the Notice in relation to reappointment of Mr. Pratik Lakhota as a Whole-time Director & CFO of the Company, liable to retire by rotation, as a Special Resolution for approval of the Members.

(A) Salary - Rs.25,000/- per month.

In the scale of Rs.25,000/- --- Rs.30,000/- --- Rs.35,000/- --- Rs.40,000/-

(B) Perquisites - As per the Rules of the Company.

Mr. Pratik Lakhota so long as he functions as Whole-time Director & CFO shall not be paid any sitting fees for attending meeting of the Board of Directors or Committees thereof.

The Company shall remunerate Mr. Pratik Lakhota by way of salary and perquisites as specified above as minimum remuneration during the term of his appointment, subject to the limit specified under Schedule V of the Companies Act, 2013.

The remuneration as aforesaid approved by the Board for 3 (Three) years is based on the recommendation of the Nomination and Remuneration Committee subject to the approval of Shareholders and shall be within the maximum limits as specified in Schedule V to the Companies Act, 2013, as amended from time to time.

Mr. Pratik Lakhota is looking after the overseas finance, accounting, internal control and statutory compliances. Since, he joined the Company, the Company is being able to achieve financial effectiveness and zero lapse in statutory compliances. As such it is felt that the company should pay him suitably within the overall permissible limit as prescribed under the Companies Act, 2013, as amended.

A brief resume of Mr. Pratik Lakhota and a statement as required under Regulation 36 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, SS 2 - Secretarial Standard on General Meetings, and Section II of Part II of the Schedule V of the Companies Act, 2013, is attached herewith and marked as annexure A.

The agreement entered into for re-appointment of Mr. Pratik Lakhota would be available for inspection by the members at the Registered Office of the Company on all working days (Monday to Friday) during normal business hours upto the date of AGM.

The financial performance of the Company is not as per the expectations and that the Company is having inadequate profits for the financial years 2021-22 and may have inadequate profit in during the tenure of Mr. Pratik Lakhota. In view of the above, the payment of remuneration to Mr. Pratik Lakhota for the tenure of his current appointment falls within the purview of Section II of Part II of Schedule V of the Companies Act, 2013. The limits for payment of managerial remuneration under Section II of Part II of Schedule V of the Act shall be Rs. 84 Lakhs per person based on the Company's effective capital. The said limits shall be doubled if the resolution passed by the shareholders is a special resolution. Accordingly, the limit shall be Rs. 168 lakhs per person.

Accordingly, the resolution set out in item no. 4 in the notice regarding re-appointment and payment of remuneration to Mr. Pratik Lakhota, is recommended by the Board for approval by the shareholders as Special Resolution.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT: 2021-22**MANAGEMENT DISCUSSION & ANALYSIS****Global economic**

It is two years into the COVID-19 pandemic and the global community still confronts extreme social and economic strain as the human toll rises and millions remain unemployed. Yet, even with high uncertainty about the path of the pandemic, a way out of this health and economic crisis is increasingly visible. Thanks to the ingenuity of the scientific community hundreds of millions of people are being vaccinated and this is expected to power recoveries in many countries later this year. Economies also continue to adapt to new ways of working despite reduced mobility, leading to a stronger-than-anticipated rebound across regions. Additional fiscal support in large economies, particularly the United States, has further improved the outlook.

As per the latest April 2022 World Economic Outlook (WEO) report, Global growth is projected to slow from an estimated 6.1% in 2021 to 3.6% in 2022 and 2023. This is 0.8 and 0.2 percentage points lower for 2022 and 2023 than projected in January. Beyond 2023, global growth is forecast to decline to about 3.3% over the medium term. War-induced commodity price increases and broadening price pressures have led to 2022 inflation projections of 5.7% in advanced economies and 8.7% in emerging market and developing economies—1.8 and 2.8 percentage points higher than projected last January.

Global growth prospects have weakened significantly amid the war in Ukraine. The World Economic Situation and Prospects as of mid-2022 warned that the global economy may be on the cusp of a new crisis, while still recovering from the pandemic. The war in Ukraine has upended the fragile global recovery, triggering a devastating humanitarian crisis, pushing up food and commodity prices, slowing growth globally and exacerbating inflationary pressures worldwide. Geopolitical and economic uncertainties are dampening business confidence and investment and further weakening short-term economic prospects.

Figure 1

Growth of world gross product, 2015-2023

Source: UN DESA.

Note: f= forecast.

The war in Ukraine and the sanctions against the Russian Federation have rattled commodity markets, exacerbating supply-side shocks. In 2022, global trade growth is projected to slow down markedly, after a strong rebound in 2021. The conflict has directly disrupted exports of crude oil, natural gas, grains, fertilizer and metals, pushing up energy, food and commodity prices. The Russian Federation and Ukraine are key suppliers of agricultural goods, accounting for 25 per cent of global wheat exports, 16 per cent of corn exports and 56 per cent of exports of sunflower oil.

The world economy is facing substantial inflationary pressures. Global inflation is projected to increase to 6.7% in 2022, twice the average of 2.9% recorded during 2010–2020. Headline inflation in the United States has reached the highest level in four decades. In developing regions, inflation is rising in Western Asia and Latin America and the Caribbean. Soaring food and energy prices are having knock-on effects on the rest of the economy, as reflected in the significant rise in core inflation in many economies as well.

Figure 2

Major commodity prices, January 2018 to March 2022

Source: UNCTAD.

Rising inflation is posing an additional challenge to an inclusive recovery as it disproportionately affects low-income households that spend a much larger share of their income on food items. The decline in real incomes is particularly pronounced in developing countries, where poverty is more prevalent, wage growth remains constrained, and fiscal support measures to alleviate the impact of higher oil and food prices on the vulnerable groups are more limited. Surging food inflation is worsening food insecurity and pushing many below the poverty line as developing countries are still struggling with economic shocks from the pandemic.

Figure 3
Global annual inflation, 2010-2022

Indian economic

The last two years have been difficult for the world economy on account of the COVID-19 pandemic. Repeated waves of infection, supply-chain disruptions and, more recently, inflation have created particularly challenging times for policy-making. Faced with these challenges, the Government of India's immediate response was a bouquet of safety-nets to cushion the impact on vulnerable sections of society and the business sector. It next pushed through a significant increase in capital expenditure on infrastructure to build back medium-term demand as well as aggressively implemented supply-side measures to prepare the economy for a sustained long-term expansion.

The Indian economy grew 8.7 per cent in 2021-22, with the gross domestic product (GDP) expanding 4.1% in the March quarter from a year ago. The GDP growth for 2021-22 takes the economy above its pre-pandemic level and is an improvement after contracting 6.6% in 2020-21. But the January-March quarter expansion was the weakest in the previous fiscal year. It is lesser than the 5.4% growth seen during the December quarter of 2021-22. Incidentally, the economic growth during the entire fiscal of 2021-22 has gradually spiralled downwards with each quarter.

In the first quarter of 2021-22, the economic growth had been a stupendous 20.1%, which however was mainly due to the low base effect. In the second quarter it was 8.4%, while it was 5.4% in third quarter. Now for the fourth quarter it has slid down to 4.1%. The GDP for 2021-22 though is lesser than the 8.9% growth estimated by the Ministry of Statistics and Programme Implementation (MoSPI), which releases the GDP data. The 8.7% growth also falls way short of the Reserve Bank of India's (RBI) estimation of 9.5% of GDP growth for 2021-22. Even the March quarter growth of 4.1% is much lesser than RBI's projection for the period, which was estimated to be at 6.1%.

The overall value of global trade reached the value of \$28.5 trillion in FY 2021, 25 per cent higher than FY 2020. India's exports of both goods and services have been good in 2021- 22. Despite rising trade costs, merchandise exports have crossed the US\$30 billion mark in eight consecutive months in FY 2021-22. The reasons for rising trade costs are global supply constraints such as fewer operational shipping vessels, exogenous events such as blockage of the Suez Canal and the Covid-19 pandemic in China's port city, Shenzhen, etc.

India has been consistently emphasizing on supply-side reforms, rather than a total reliance on demand management. These reforms include deregulation of numerous sectors, simplification of processes, removal of legacy issues like 'retrospective tax', privatization and production-linked incentives, higher rural income, and the boost from pent-up household savings in addition to continued emphasis on infrastructure spending by the government. Vaccination has played an important role in minimizing loss of lives, boosting confidence in the economy towards the resumption of activity and containing the sequential decline in output due to the second wave. Government CAPEX is budgeted to grow to 2.9% of GDP in FY 2022-23 the highest in nearly two decades. Private corporate investment is also expected to pick up in the second half of the year with improvement in demand leading to increased manufacturing sector capacity utilization and rollout of the Production-Linked Incentive Scheme

India has also been witnessing significant inflationary pressures similar to the global economy. The outlook stands to be impacted given sustained inflation pressures in the next few quarters including the impact of Russia – Ukraine conflict, quicker tightening of financial conditions with RBI's rate hikes, high oil prices impacting current account balance and fiscal deficit and subsequent Covid-19 outbreaks. However the Indian economy is well prepared for any challenges that it might face in FY 2022-23.

Industry Overview

The Indian Education Sector leads the world in terms of addressable population in the age bracket of 3 – 24 years making it the largest market in the world in volume terms.

The size and spread of the education sector across different segments can be understood from the information stated below.

School Segment: The Indian Education Sector has nearly 260 million students and about 10 million teachers across a total of 1.6 plus million schools, as per the UNIFIED District INFORMATION SYSTEM FOR EDUCATION PLUS report of 2020-21. While the overall enrolment went up in FY2020-21, the COVID-19 pandemic had a muted negative impact on the enrolments at the pre-primary and class 1 level with parents deferring the enrolment.

Higher Education: The country had 1,043 universities as of May 2022. The number of colleges in India in 2021 was more than 45,000, which is a sizeable increase from about 40,000 in 2019 and 42,000+ in 2020. The standalone institutions, i.e., Diploma institutions governed by AICTE and other bodies numbered more than 11,000 in the AISHE survey of FY2019-20.

Non-formal Sector: The country has a vibrant non-formal sector catering to the various needs across Education, Training and Skilling segments.

Online Segment: Within the industry, the online education segment is estimated to grow by US\$ 2.3 billion during the 2021-2025 period

Industry Structure and Analysis:

After a sharp decline in calendar year 2020, the global economy rebounded sharply in 2021. This was driven by the success of vaccination drives, which have covered substantial parts of the population globally, a pick-up in economic activity and international trade as severe lockdowns were lifted, as well as supportive fiscal and monetary policies across major economies despite multiple waves of the pandemic that disrupted economies from time to time. However, as the world enters the third year of the pandemic, the world is going through a phase of exceptional uncertainty caused by new variants of the virus, unprecedented supply chain bottlenecks leading to high inflation in labor, food, and commodity prices, even as major economies are forced to roll back stimulus measures, tighten money supply, and increase interest rates to counter the imbalances during the previous two years.

Over the last two years, Covid-19 resulted in the compression of digital adoption expected over the next several years into a few months. Businesses accelerated their digital transformation not only to ensure continuity but also to take advantage of this trend. As economies emerge from lockdowns, hybrid models are emerging as the new normal. Overall consumption of corporate training, which had seen a sharp declining trend in FY21, stabilized during FY22. The prevailing economic uncertainty may impact the recovery of spends in the near term and slow down decision-making. However, increasing complexity, demand for new skills, and demand for greater accountability on spends are expected to continue to drive companies to partner with specialist learning services providers to achieve greater efficiency and effectiveness of spends.

Risks, Challenges and Concerns

In addition to the general macro risks such as political risk economic risk, regulatory risk, currency risk, etc., LCC also faces some specific business risks as an education company operating with a specific business model. A few of such major risks are as follows:

1. Business Partner Risk: The Company is dependent on Franchisees/ Business Partners for business generation, but they are the face of LCC for the student. Hence, the capabilities,

motivation and financial viability of the Franchisee/ Business Partner along with their compliance to processes and directions mandated by the Company are critical to their and LCC continued success.

2. Demand Risk: Technological and market evolution keep changing the nature and scale of skill requirements in the verticals serviced by LCC. Such changes can render the courses offered by the Company obsolete. In addition, employment demand is also driven by the economic prospects of the specific vertical in each country.
3. Execution Risk: Projects, whether of training or assessments, are a significant source of income for the Company. Delivering committed results in time, with quality and within budgeted costs is critical for the success of the Company. In the event of a failure of any kind, it may lead to loss of business, imposition of penalties, loss of reputation, etc. for the Company. The Company has adopted various mitigation approaches for all types of risks to ensure effective monitoring and resolution.

Opportunities and Threats

Opportunities

The high unemployment rate and mass-scale unemployability offer a huge opportunity for a skilling company such as LCC. The Company is currently catering employability by various market survey to create more employability opportunity. The unemployment rate in India was 7.6% in March 2022 as per data released by the Centre for Monitoring Indian Economy (CMIE). This has reduced from the previous year's levels of 11.8% in May 2021, however, on an absolute basis it was still high, and this decline hides the effects of low-quality employment in a developing country like India. This scenario means the Company's courses have a ready and receptive market especially because it offers to make students a career in some of the most sought after industries such as Retail, Beauty & Styling, Aviation, Hospitality & Retail, and Information Technology.

Apart from the clear issues of unemployment and unemployability, most developing countries also have a dearth of quality and capacity in formal education, especially in the most sought-after verticals. This translates into a significant opportunity for LCC's courses, which can meet this need. At current LCC is present more than 10 states that offer a sizeable universe of opportunities for the Company's courses.

Threats

The negative impact of the changes in Government regulation is a constant threat to the Company's business. For e.g., multiple exits and Vocationalization of higher education envisaged in the new structure under NEP 2020 may shift the market away from the Company's offerings. Entry of foreign players in the sector allowed by the NEP can be a long-term threat to the Company.

IT sector has become a major threat with competition from players offering formal undergraduate and graduate level programs online in addition to the direct competition from players in the same space as the Company.

Training & Skill Development:

As the economy is gradually starting to open up, various government funded schemes are being restarted along with aggressive funding and larger budgetary allocations are being witnessed. LCC has also initiated a fresh large-scale project in collaboration with the Ministry of Rural Development by establishing a state-of-the-art skill development project under the DDUGKY project in Uttar Pradesh. Along with this we are also in talks with Jharkhand government agencies to either restart or collaborate for new skill development initiatives across states and positively hope to grab this opportunity soon.

Internal Control Systems:

The Company has a clear organizational hierarchy, documented and published policies, a well-defined authority matrix and adequate internal controls to manage its business operations. The Company invests time and resources to continuously upgrade its internal control systems. The Company has appointed 3rd party internal auditors to conduct regular internal audits of all its business operations and holds regular reviews by management to ensure compliance with policies, guidelines and business plans.

Future Prospects:

Though this year has been extremely challenging due to multiple Covid-19 wave, we are not seeing a sudden surge in both government and private student participation. As we go through this economic

slowdown and consolidation phase, there seems to be concerns about the coming times. However as education and skill development will always remain a key growth contributor, the sector will once again witness substantial growth in the coming times.

Human Resources:

LCC has implemented innovative practices and invested in best-in-class processes to develop an enabling environment for its workforce. LCC's talent pool is the key ingredient to its success as an Education and Training organization. The people and processes at the Company are geared toward increasing workforce productivity. The Company on an ongoing basis conducts events, employee engagement activities, and collaborative training programs to succeed in having an engaged and motivated workforce.

Cautionary Statement

Statements in this Management Discussion and Analysis report detailing the Company's objectives, projections, estimates, expectations or predictions may be "forward looking statements" within the meaning of applicable securities laws and regulations. We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, for example, Corporate Overview, Key Highlights, Directors' Report, Report on Corporate Governance, Management Discussion & Analysis Report, Business Responsibility Report, etc., but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting

frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ~ Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ~ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- ~ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ~ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ~ Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatement in the financial statement that, individually or aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statement may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure, a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that:
 - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - (c) the Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) on the basis of written representations received from the directors as on 31 March 2022, and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2022, from being appointed as a director in terms of section 164 (2) of the Act;
 - (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure B; and
 - (g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - (iv) (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us

2021-2022

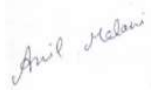

to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

(v) The Company has neither declared nor paid any dividend during the year.

Annexure – B to the Independent Auditors’ Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of LCC Infotech Limited (“the Company”) as of 31 March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit on Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the

internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

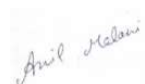

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

LCC INFOTECH LIMITED

Notes to the Financial Statements as at and for the year ended March 31, 2022

1. Corporate Information

LCC Infotech Limited ("Company" or "LCC") is a public limited company domiciled in India. The registered office of the company is located at P-16, CIT Road, Kolkata - 700014.

2.1 Basis of preparation

The financial statements of the Company has been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III).

The financial statements have been prepared on a historical cost basis.

The financial statements are presented in INR and all values are rounded to the nearest lacs (INR '00,000), except when otherwise indicated.

The company has prepared the financial statements on the basis that it will continue to operate as a going concern.

Recent Accounting Developments

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable.

MCA issued notifications dated March 24, 2021, to amend Schedule III to the Companies Act, 2013 to enhance the disclosures required to be made by the company in its Financial Statements. These amendments are applicable to the company for the financial period starting April 01, 2021.

2.2 Summary of significant accounting policies

a. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- ~ Expected to be realised or intended to be sold or consumed in normal operating cycle
- ~ Expected to be realised within twelve months after the reporting period, or
- ~ Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- ~ It is expected to be settled in normal operating cycle
- ~ It is due to be settled within twelve months after the reporting period, or
- ~ There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

REVENUE RECOGNITION

- a) Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.
- b) Dividend income is recognized when the shareholder's right to receive dividend is established by the balance sheet date.

Trade receivables

A receivable is recognised if an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

a. Operating Cycle

All assets and liabilities have been classified as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 - Presentation of

Financial Statements based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

b. Property, plant and equipment

Plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

Depreciation is calculated on a Straight Line Method (SLM) basis over the estimated useful lives of the assets as follows:

Type of Asset	Useful Life estimated by the management
Building	60 Years
Plant & Equipment	15 years
Computers	3 years
Furniture & Fixtures	10 years
Office equipments	5 years
Electrical Equipments	10 years
Motor Vehicles	8 years

The Company depreciates its Property, plant and equipment over estimated useful lives which are as per the useful life prescribed in Schedule II to the Companies Act, 2013 except Plant & Equipment which is lower than those indicated in Schedule II i.e. 5-15 years. The management believes that these useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at the end of each financial year and adjusted prospectively, if appropriate.

c. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and bank balances.

d. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss attributable to equity holders of parent company (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders of the parent company and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

e. Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

2.3 Significant accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a. Useful lives of property, plant and equipment:

As described in the significant accounting policies, the Company reviews the estimated useful lives of property, plant and equipment at the end of each reporting period.

b. Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the company. Such changes are reflected in the assumptions when they occur.

c. Provisions Contingent Liabilities and Contingent Assets

Provision is recognized in the accounts when there is a present obligation as a result of past event(s) and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognized nor disclosed in the financial statements.

Notes to Financial Statements as at and for the year ended March 31, 2022

24. Earning Per Share

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the company by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the company (after adjusting for interest on the convertible preference shares) by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations:

Particulars	Rs. In Lacs	
	For the year ended March 31, 2022	For the year ended March 31, 2021
Profit/(Loss) attributable to equity holders of the company (Rs. in lacs)	(73.61)	(149.50)
Weighted Average number of Equity shares *	12,65,93,350	12,65,93,350
Basic and Diluted Earnings Per Share	(0.06)	(0.12)

* The weighted average number of shares takes into account the weighted average effect of changes in treasury share transactions during the year. There have been no other transactions involving Equity shares or potential Equity shares between the reporting date and the date of authorisation of these financial statements.

25. Contingent liabilities, commitments and leasing arrangements

	March 31, 2022 Rs in lacs	March 31, 2021 Rs in lacs
	Effect on Statement of profit & loss - (Loss)/Profit	
Interest Rates increase by 50 basis points	(0.21)	(0.16)
Interest Rates decrease by 50 basis points	0.21	0.16

28.1.2. Price Risk

The Company's non-listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities. The Company manages the equity price risk through diversification and by placing limits on individual and total instruments. Reports on the portfolio are submitted to the Company's senior management on a regular basis. The Company's Board of Directors reviews and approves all investment decisions.

28.2. Credit Risk

Credit risk is the risk that counterparty will not meet its obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, bank balances, loans, investments and other financial assets. At each reporting date, the Company measures loss allowance for certain class of financial assets based on historical trend, industry practices and the business environment in which the Company operates.

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored and credit quality of a customer is assessed and individual credit limits are defined in accordance with this assessment. Credit risk arising from investments, financial instruments and balances with banks is limited because the counterparties are banks and recognised financial institutions with high credit worthiness.

The ageing analysis of trade receivables considered from the date of invoice as follows:

Financial Year Ended as on	Less than 1 Year Rs in lacs	More than 1 Year Rs in lacs	Total Rs in lacs
March 31, 2022	-	1,963.96	1,963.96
March 31, 2021	-	2,033.99	2,033.99

28.3. Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

29. Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, security premium and all other equity reserves attributable to the equity holders of the Company. The Company's objectives when managing capital is to safeguard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to shareholders through continuing growth and maximise the shareholders value. The Company sets the amount of capital required on the basis of annual business and long-term operating plans which include capital and other strategic investments. The funding requirements are met through a mixture of equity, internal fund generation and borrowed funds. The Company monitors capital on the basis of the net debt to equity ratio. Net debts are long term and short term debts as reduced by cash and cash equivalents (including restricted cash and cash equivalents). Equity comprises share capital and free reserves (total reserves excluding OCI). The following table summarizes the capital of the Company:

INDEPENDENT AUDITOR'S REPORT

To the Members of

LCC Infotech Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying consolidated financial statements of LCC Infotech Limited (hereinafter referred to as the "Holding Company") and its subsidiary (Holding Company and its subsidiary together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2022, and the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2022, of consolidated total comprehensive income (comprising of profit and other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained, and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph 16 of the Other Matters section below, is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the consolidated financial statements and auditor's report thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including annexures to the Board's Report, Corporate Governance & other Shareholder's Information, but does not include the Consolidated Financial Statements, Standalone Financial Statement and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information, compare with the financial statement of the subsidiary audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiary, is traced from their financial statements audited by the other auditors.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

4. The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows, and changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

5. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

6. The respective Board of Directors of the company included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditors' Responsibility for the Audit of the consolidated financial statements

7. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

8. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ~ Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ~ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- ~ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ~ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and to cease to continue as a going concern.
- ~ Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- ~ Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

9. Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

10. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

13. We did not audit the financial statements of One ("1") subsidiary, included in the Statement, whose financial statements reflect total assets of Rs. 148.77 Lakhs and net assets of Rs. 148.45 Lakhs as at March 31, 2022, total revenues of Nil, total net loss after tax of Rs. 0.11 Lakhs, total comprehensive loss of Rs. 0.11 Lakhs (net of tax) and net cash in-flow amounting to Nil for the financial year ended on that date as considered in the consolidated financial statement. This financial statements/ financial information has been audited by other auditors whose reports have been furnished to us by the management and in our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of subsidiary are based solely on the reports of the other auditors and the procedures performed by us as under Auditor's Responsibilities section above.

14. Our opinion on the consolidated financial statements is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

15. As required by the Companies (Auditor's Report) Order, 2020 ("CARO 2020"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure A, a statement on the matter specified in paragraph 3(xxi) of CARO 2020.

16. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of other auditors on separate Financial Statements of subsidiary incorporated in India, referred in the Other Matters paragraph above we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including

other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account and records maintained for the purpose of preparation of the consolidated financial statements.

- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.

- (f) With respect to the adequacy of internal financial controls with reference to consolidated financial statements of the Group and the operating effectiveness of such controls, refer to our separate report in Annexure B.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
The Group incorporated in India have paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The consolidated financial statements does not have any pending litigations as on March 31, 2022 on the consolidated financial position of the Group.
 - ii) The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses during the year ended 31st March, 2022.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, its subsidiary incorporated in India during the year ended March 31, 2022.
 - iv) (a) The respective Managements of the Holding Company and its subsidiary which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiary companies respectively that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiary to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiary ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
(b) The respective Managements of the Holding Company and its subsidiary which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiary respectively that, to the best of their knowledge and belief, no funds have been received by the Company or any of such subsidiary from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
(c) Based on the audit procedures, that has been considered reasonable and appropriate in the circumstances, performed by us and those performed by the auditors of the subsidiary which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has caused us or the other auditors to believe that the representations under paragraph 19 (h) (iv)(a) &(b) above, contain any material misstatement.

ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT**Report on the Internal Financial Controls with reference to Consolidated Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act**

1. In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2022, we have audited the internal financial controls with reference to financial statements of LCC Infotech Limited (hereinafter referred to as "the Holding Company") and its subsidiary which are companies incorporated in India, as of that date.

Management's responsibility for internal financial controls

2. The respective Board of Directors of the Holding Company, its subsidiary to whom reporting under clause (i) of sub section 3 of Section 143 of the Act in respect of the adequacy of the internal financial controls with reference to financial statements is applicable, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

3. Our responsibility is to express an opinion on the Holding Company's internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system with reference to consolidated financial statements.

Meaning of internal financial control over financial reporting with reference to consolidated financial statements

6. A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use,

or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent limitation of internal financial control over financial reporting with reference to consolidated financial statements

7. Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company, its subsidiary which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

9. Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to subsidiary, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India. Our opinion is not modified in respect of this matter.

LCC Infotech Limited

Notes to the Consolidated Financial Statements as at and for the year ended March 31, 2022

1. Corporate Information

The consolidated financial statements comprise financial statements of LCC Infotech Limited (the "Company") and its subsidiary (collectively, the Group) for the year ended 31 March 2022. The company is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on BSE Limited and National Stock Exchange of India Limited. The registered office of the company is located at P-16, CIT Road, Kolkata - 700014.

At present, the group is focusing largely on the business of digital network of healthcare and portfolio management service.

2.1 Basis of preparation

The Consolidated financial statements of the group has been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division III of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III).

The consolidated financial statements have been prepared on a historical cost basis.

The consolidated financial statements are presented in INR and all values are rounded to the nearest lakhs (INR '00,000), except when otherwise indicated.

The company has prepared the financial statements on the basis that it will continue to operate as a going concern.

2.2. Basis of Consolidation

The consolidated financial statements comprise the financial statements of the group and its subsidiary as at 31 March 2022. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- ~ Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- ~ Exposure, or rights, to variable returns from its involvement with the investee, and
- ~ The ability to use its power over the investee to affect its returns

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- ~ The contractual arrangement with the other vote holders of the investee
- ~ Rights arising from other contractual arrangements
- ~ The Group's voting rights and potential voting rights
- ~ The size of the group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on 31 March. When the end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial state-

ments of the parent to enable the parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

Consolidation procedure:

- (a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.
- (b) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.
- (c) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intra-group transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- ~ De-recognises the assets (including goodwill) and liabilities of the subsidiary at their carrying amounts at the date when control is lost
- ~ De-recognises the carrying amount of any non-controlling interests
- ~ De-recognises the cumulative translation differences recorded in equity
- ~ Recognises the fair value of the consideration received
- ~ Recognises the fair value of any investment retained
- ~ Recognises any surplus or deficit in profit or loss
- ~ Recognise that distribution of shares of subsidiary to Group in Group's capacity as owners
- ~ Reclassifies the parent's share of components previously recognised in OCI to profit or loss or transferred directly to retained earnings, if required by other Ind ASs as would be required if the Group had directly disposed of the related assets or liabilities
- ~ The Subsidiaries considered in these consolidated financial statements are as under:

Sl. No.	Name	Country of Incorporation	% of Voting Power / Ownership Interest	
			As at March 31, 2022	As at March 31, 2021

3.1. Summary of significant accounting policies

a. Income Recognition

Income from Royalty is recognised on an accrual basis in accordance with the terms of the relevant agreement.

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

b. Operating Cycle

All assets and liabilities have been classified as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 - Presentation of Financial Statements based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

c. Inventories

Inventories are valued at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

d. Investments

Investment in subsidiaries, are carried at cost less accumulated impairment, if any.

e. Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The group has no obligation, other than the contribution payable to the provident fund. The group recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

f. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash in hand and at bank.

g. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss attributable to equity holders of parent company (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders of the parent company and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

h. Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the group or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The group does not recognize a contingent liability but discloses its existence in the financial statements.

3.2. Significant accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a. Useful lives of property, plant and equipment:

As described in the significant accounting policies, the group reviews the estimated useful lives of property, plant and equipment at the end of each reporting period.

b. Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the group. Such changes are reflected in the assumptions when they occur.

c. Provisions Contingent Liabilities and Contingent Assets

Provision is recognized in the accounts when there is a present obligation as a result of past event(s)

and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognized nor disclosed in the financial statements.

Notes to Financial Statements as at and for the year ended March 31, 2022

24. Earning Per Share

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the company by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the company (after adjusting for interest on the convertible preference shares) by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations:

Particulars	Rs. In Lacs	
	For the year ended March 31, 2022	For the year ended March 31, 2021
Profit/(Loss) attributable to equity holders of the company (Rs. in lacs)	(73.72)	(149.60)
Weighted Average number of Equity shares *	12,65,93,350	12,65,93,350
Basic and Diluted Earnings Per Share	(0.06)	(0.12)

* The weighted average number of shares takes into account the weighted average effect of changes in treasury share transactions during the year. There have been no other transactions involving Equity shares or potential Equity shares between the reporting date and the date of authorisation of these financial statements.

P-16, CIT Road, Kolkata-14
CIN : L72200WB1985PLC073196

28.1.1 Interest rate risk

The Company takes debt to finance its working capital, which exposes it to interest rate risk. Borrowings issued at variable rates expose the Company to interest rate risk.

Interest rate risk exposure:

	March 31, 2022	March 31, 2021
	Rs in lacs	Rs in lacs
Variable rate borrowing	-	-
Fixed rate borrowing	36.45	43.96
	36.45	43.96

Interest rate sensitivity:

Profit or loss and equity is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

	March 31, 2022	March 31, 2021
	Rs in lacs	Rs in lacs
	Effect on Statement of profit & loss -	
	(Loss)/Profit	
Interest Rates increase by 50 basis points	(0.21)	(0.16)
Interest Rates decrease by 50 basis points	0.21	0.16

28.1.2. Price Risk

The Company's non-listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities. The Company manages the equity price risk through diversification and by placing limits on individual and total instruments. Reports on the portfolio are submitted to the Company's senior management on a regular basis. The Company's Board of Directors reviews and approves all investment decisions.

28.2. Credit Risk

Credit risk is the risk that counterparty will not meet its obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, bank balances, loans, investments and other financial assets. At each reporting date, the Company measures loss allowance for certain class of financial assets based on historical trend, industry practices and the business environment in which the Company operates.

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored and credit quality of a customer is assessed and individual credit limits are defined in accordance with this assessment. Credit risk arising from investments, financial instruments and balances with banks is limited because the counterparties are banks and recognised financial institutions with high credit worthiness.

The ageing analysis of trade receivables considered from the date of invoice as follows:

Financial Year Ended as on	Less than 1 Year	More than 1 Year	Total
	Rs in lacs	Rs in lacs	Rs in lacs
March 31, 2022	-	1,963.96	1,963.96
March 31, 2021	-	2,033.99	2,033.99

28.3. Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.
